WCMU PUBLIC MEDIA
Mt. Pleasant, Michigan

OUTREACH ACTIVITIES: A brief description of all outreach activities designed to inform the public of employment opportunities performed during the past year.

- | | | | | | |
|-----|--------------------------|--|--|--|--|
| 1.) | 2-Feb-24 | | | Nonprofit and Government Internship and Career Fair | Sponsored by the Mt. Pleasant Area Community Foundation, Non-profit Leadership Student Alliance and CMU Career Development Center. |
| 2.) | Ongoing Summers - SU '23 | | | Ongoing internship program | designed to assist student members of the university community in acquiring skills needed for broadcast employment. Students are each placed at a location around the state for the summer to create local news stories. |
| 3.) | 21-Jun-23 | | | Grandparents U - University Event | Grandparents and their grandchildren learn about asking good questions and grandchildren then put their skills to work interviewing grandparents in our studio. |
| 4.) | 2023-24 School Year | | | Community Service Project | Our Report for America reporter has established a newspaper at a middle school where she is based with the purpose of introducing young minds to the world of media. The focus is on media literacy, equipping students with tools to navigate misinformation by developing ideas and honing their skills in interviewing and journalistic writing, along with hands on experience in field reporting. |
| 5.) | Ongoing | | | Training Students in Live and Pre-taped TV Broadcasts (Participation in events or programs with educational institutions relating to broadcasting careers): | Through a partnership between CMU Public Television and the Broadcast & Cinematic Arts department at Central Michigan University, students gain valuable experience and knowledge about various broadcast related jobs. Students get the opportunity to gain experience in various areas of production during tapings of locally produced programs. |
| 6.) | Ongoing | | | Training Students in Stations promotions (participation in events or programs with educational institutions relating to broadcasting careers): | Under the supervision of the Senior Producer/Marketing Specialist, CMU students learn many aspects of public relations, including preparing press releases, drafting copy, and assisting with other promotion efforts. These students many times are majoring in public relations and use their experience at CMU PUBLIC MEDIA to enhance their coursework. |
